BOAT TEST DRIVE

DECLARATION OF THE PASSENGER(S)

I will carry out this test in full awareness of my responsibility, which requires me:

- to comply with the written and verbal safety instructions given to me
- to maintain a cautious and vigilant attitude both during boarding, during the test, and during disembarkation
- to watch over my children if they accompany me
- and in general to ensure my personal safety and that of my family

MINIMUM SAFETY INSTRUCTIONS

Passengers are required to wear test-appropriate clothing, including flat shoes with soft soles. They must be equipped with life jackets. Children who cannot be equipped with vests will not be allowed to board the boat. In any event, tests are forbidden for children under 10 years old.

Animals cannot be accepted on board for safety reasons.

Passengers must sit, and behave appropriately on the boat, avoiding in particular to have their arms or legs too restricted or blocked in order to maintain some flexibility during the movements of the boat.

Passengers are advised to take care of their clothes, glasses, bags, cameras, mobile phones or other accessories and personal items: they will not be reimbursed for loss or damage during testing.
